NOTE TO PARENT/GUARDIAN: (PLEASE READ BEFORE SIGNING)

Cheerleaders will be assigned a team unless she/he has a sibling on a football team. Consideration will be given to those who will be car-pooling to cheer practice-however; since all squads practice at the same time, the final decision will be with the Kiwanis chair. Assignment will be such that there will be an even distribution of girls among the different colored teams.

Any concerns and/or grievances shall be directed to the Kiwanis Cheerleader Representative-Debbie Pounders, NOT to the cheerleaders and/or their sponsors. Failure to follow this simple rule will cause immediate dismissal of the child from cheering. The cheerleaders, pom squad and their respective sponsors are volunteers-they are not to field complaints, they can however, direct you to Ms. Pounders.

I have read and agree to the above conditions regarding Kid's Day Cheerleading.
